Welcome to LiSarGen Scientific LTD

Your Trusted Partner in Biotech and Laboratory Solutions

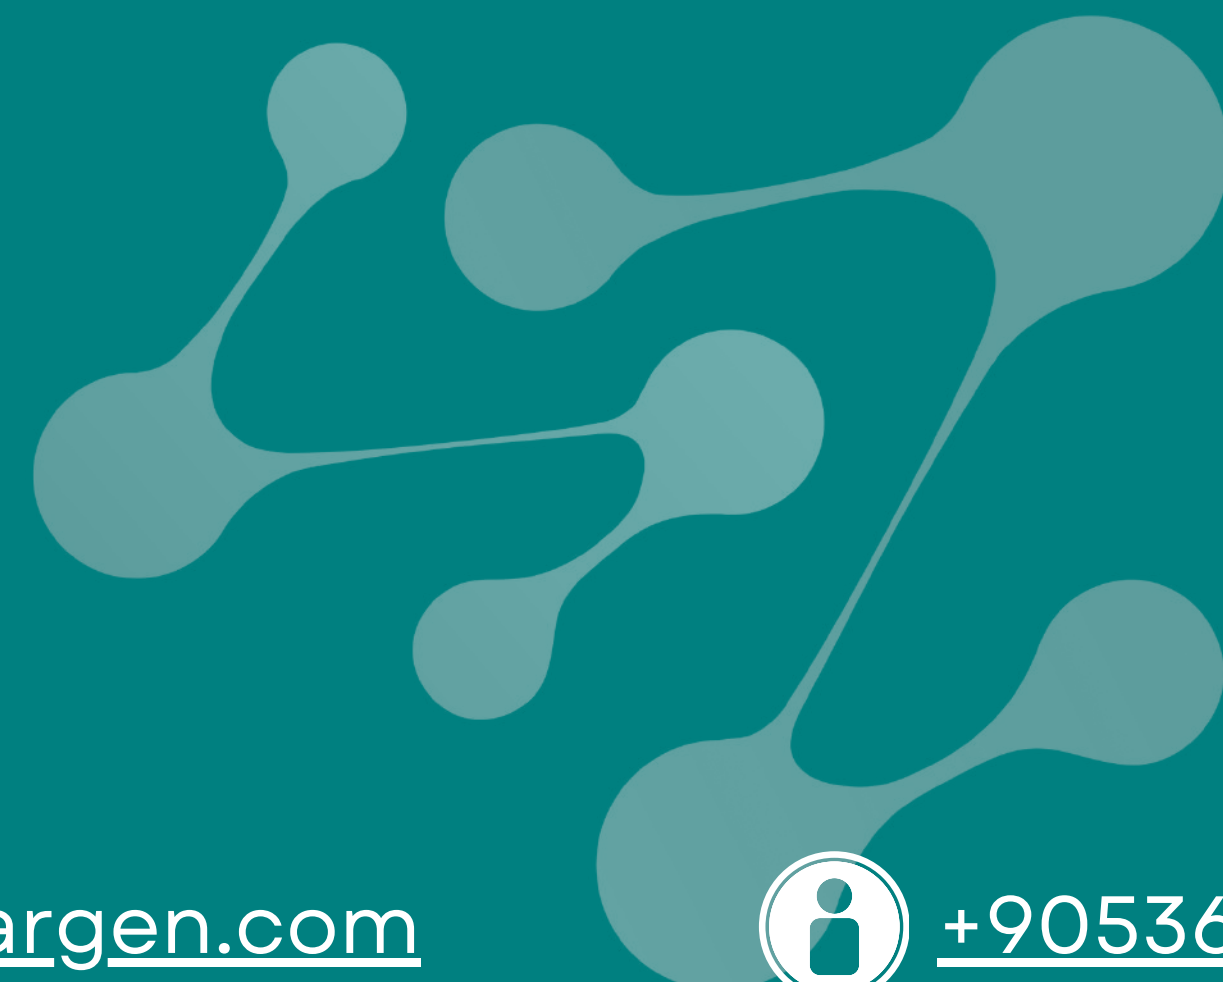

LiSarGen Scientific LTD is a procurement company specializing in biotech, pharmaceutical, and lab products. With over 7 years of experience, we have established ourselves as a trusted partner, delivering cost-effective sourcing, reliable quality, and timely delivery to clients worldwide.

Our Mission:

To bridge the gap between manufacturers and clients by providing direct access to trusted brands, ensuring affordability and quality.

Our Values:

- Reliability: Delivering on promises with transparency.
- Excellence: Striving for the highest standards in service and sourcing.
- Innovation: Adapting to the dynamic needs of the biotech industry.

Our Core Services

Simplifying Your Sourcing Needs with Expertise and Reliability

1. Cost-Effective Sourcing

We prioritize affordability without compromising quality. Our direct connections with manufacturers ensure competitive pricing tailored to your needs.

2. Direct Manufacturer Access

By eliminating intermediaries, we offer a seamless process to procure products directly from trusted manufacturers, ensuring reliability and traceability.

3. Multi-Brand Procurement Expertise

LiSarGen's experienced team sources from a wide range of brands, providing you with the flexibility to compare and choose the best options for your requirements.

4. Shipment and Packaging Guidance

From procurement to delivery, we ensure products are packaged securely and shipped efficiently, meeting all regulatory standards.

5. Dedicated Customer Support

Our team provides ongoing assistance throughout the sourcing, ordering, and delivery process to guarantee your satisfaction.

Our Diverse Product Portfolio

Reliable Solutions for Biotech, Labs, and Pharmaceuticals

Stem Cell Culture

Sigma
Gibco
Lonza

gibco

Lonza

Molecular Biology

Invitrogen
NEB
Qiagen

Antibodies and ELISA Kits

R&D Systems
Abcam
BioLegend

abcam

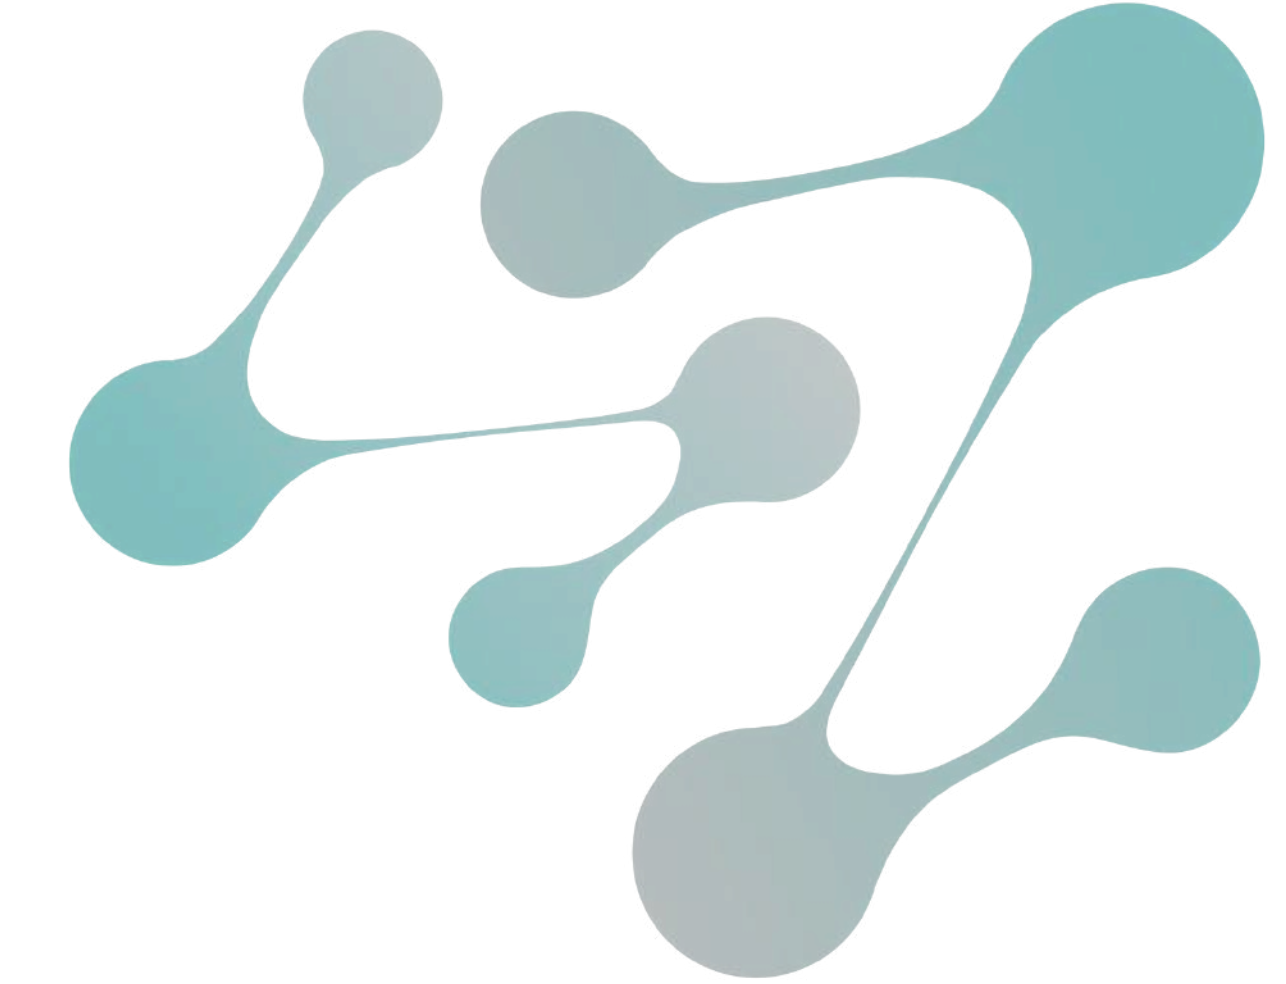

Analytical Standards

UBiosynth
MCE
Cayman

Our Product Categories and Solutions

Our product range spans multiple categories and subcategories, ensuring that every aspect of your research, testing, and production is supported with top-quality products. Backed by global partnerships, we bring you the best solutions for your needs.

STEM CELL CULTURE	MOLECULAR BIOLOGY	ELISA KITS	ANTIBODIES	LABORATORY PRIPERATIONS
ANTIBIOTICS	BUFFERS	APOPTOSIS	Cell Adhesion	Histology and Embryology Laboratory Preparation Sets
CELL CULTURE MEDIUM	MOLECULAR BIOLOGY REAGENTS	AUTOPHAGY	Cell Cycle	Pathology Laboratory Preparation Sets
SERAS AND SUPPLEMENTS	ASSAY KITS	ANGIOGENESIS	Cytokines	Microbiology Laboratory Preparation Sets
	PURIFICATION		Immunity	Zoology Laboratory Preparation Sets
	EXTRACTION KITS		Metabolism	Botanical Laboratory Preparation Sets
			Sex Hormones	Mitosis and meiosis preparation set
			Signal Pathways	

Why Choose LiSarGen?

Delivering Excellence, One Partnership at a Time

1. Trusted Expertise

With over 7 years of industry experience, we understand the unique challenges of sourcing biotech, pharmaceutical, and laboratory products.

2. Direct Manufacturer Access

By working directly with trusted manufacturers, we ensure reliability, traceability, and cost-effectiveness for all your sourcing needs.

3. Comprehensive Product Range

From cell culture media to molecular reagents, we offer access to a diverse selection of high-quality products.

4. Reliable and Timely Delivery

Our streamlined logistics ensure that your products arrive securely and on time, every time.

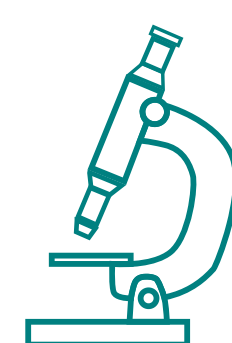

5. Tailored Solutions and Support

Our dedicated team provides personalized assistance throughout the procurement process, helping you make the best choices for your specific needs

**Cost-Effective
Solutions**

**Reliable Sourcing for
Advanced Research**

**Compliance with
Global Standards**
